Comrade I. V. STALIN. From the Men and Women Workers, Engineers,
Technicians, and Employees of the Serp i Molot Metallurgical
Plant in Moscow." Moskovskaya pravda, 11 March 1952.

7. To be economical in the use of raw materials, metals, fuel,
and electric power is the duty of all the workers

1. The ^{OBSERVANCE}~~positive~~ of economy is an important source of
socialist accumulation in excess of ~~the~~ plan.

2. The fight against losses due to waste, against un-
economical use of raw materials, materials, fuels, and electric
power is the duty of every toiler.

3. Let us follow the valuable ^{initiative of}~~endeavor~~ of the workers
and specialists at the Automobile Plant imeni Stalin, who developed
competition to reduce the use of metal and electric power for each
article.

4. The creative ^{PARTNERSHIP}~~friendship~~ of workers and specialists is
the guarantee of success in the struggle to use the inner reserves
of production.

OUTLINE ~~PLAN~~ FOR CHATS

on the subject of

"The State Budget of the USSR for 1952"

First Chat

1. The state budget of the USSR is clear proof of the growing force and strength of the Soviet socialist power.
2. The Soviet state budget is the budget of peaceful building, of the further ^{ADVANCE} ~~improvement~~ of economy and culture, of the steady increase in the welfare of the toilers.
3. The budgets of the capitalist countries are budgets of preparations for war and of robbing the toiling masses.
4. The income of the state budget of the USSR for 1952 and its sources.
5. The further increase of ^{labor} ~~the~~ productivity, ~~which~~, the

~~RESTRICTED~~

RESTRICTED

increase in ~~production~~^{production}, improvement in quality of products, ~~and~~^{and} reduction of ~~production~~^{production} costs, are the most important conditions for the successful fulfillment of the state budget of the USSR for 1952.

Second Chat

1. The expenditures of the state budget of the USSR for 1952 are clear proof of Stalin's concern for further strengthening the might of the Soviet state, for increasing the material welfare of the toilers.

2. The financing of the national economy.

3. The expenditures for social-cultural measures.

4. The expenditures for strengthening the defense of the Soviet state.

5. The realization of the strictest regime of economy in the expenditure of state funds, the steady observance of state and labor discipline, ^{etc.} the guarantee of the successful fulfillment of the national economy^{ic} plan and the state budget for 1952.
